7th Annual Fun Dog Show was a howling success!

www.melonsgift.org

"Together we will find a cure"

Close to 100 dogs strutted their stuff while raising awareness for Breast Cancer research at the Stroudsburg Intermediate School on September 26. "All dogs were winners" and we were able to give \$2400.00 to the Susan

G. Komen For the Cure 3-day walk. Participants and their humans visited vendor booths and munched on Hot Dogs. Great music was provided by Rich Arieta and musicians Matt Abel and Sebastian Rivera serenaded the crowd.

4th Annual "Pooch Loop"

On Sunday June 5, we walked again for your American Cancer Society, "Relay for Life". Escorted by the Stroud Area Regional Police Department, our dogs led the sojourn down Main Street in Stroudsburg. We started at Aardvark Sports Shop and ended at the Miller Park in East Stroudsburg. The weather cooperated for us this

year and our pooches were able to enjoy the games at the Park. We were proud to offer a check of \$600.00 to the American Cancer Society for the Stroudsburg, Relay for Life. Everyone had a great time, and our dogs knew they walked for a great cause!

"Pet Photos with Santa"

Melon's Gift will host its annual Pet & Family Photos with Santa on Saturday, December 3rd at the Zimbar Gym on the campus of East Stroudsburg University. Sitting times begin at 10:30 a.m. and go until

4:30 p.m. Our merry elves will greet you with hot cocoa and cookies. Lady C Photography will capture your pet in a beautiful holiday photo. This years' proceeds support the Monroe Animal League.
